

Section 13: Agriculture, Department of Athens and Tifton Veterinary Laboratories

The purpose of this appropriation is to provide payment to the Board of Regents for diagnostic laboratory testing, for veterinary consultation and assistance, for disease surveillance, and for outreach to veterinarians, animal industries, and pet owners within the State of Georgia.

Program Overview		
Summary of Activities: Provide surveillance for economically important animal diseases and diagnostic assistance to Georgia veterinarians and animal owners; perform diagnostic testing of both endemic and non-endemic diseases for livestock, pets, and non-traditional species (e.g. zoo species, marine animals); conduct research on animal diseases, improved diagnostic methods, and diseases that could potentially impact human health.		
Target Population: Livestock and pet owners in Georgia		
Location: Two full service diagnostic laboratories in Athens, GA and Tifton, GA		
Delivery Mechanism: Veterinary scientists, investigators, and consultants		
Fund Sources: State general funds; laboratory testing fees		
Noteworthy: Both laboratories are fully accredited by the American Association of Veterinary Laboratory Diagnosticians.		

Continuation Budget		
TOTAL STATE FUNDS	\$2,910,273	\$2,910,273
State General Funds	\$2,910,273	\$2,910,273
TOTAL PUBLIC FUNDS	\$2,910,273	\$2,910,273

43.100 Athens and Tifton Veterinary Laboratories		Appropriation (HB 75)	
<i>The purpose of this appropriation is to provide payment to the Board of Regents for diagnostic laboratory testing, for veterinary consultation and assistance, for disease surveillance, and for outreach to veterinarians, animal industries, and pet owners within the State of Georgia.</i>

Consumer Protection

The purpose of this appropriation is to provide for public health and safety by monitoring, inspecting and regulating the cultivation, processing, and production of livestock, meat, poultry, and other food products; by inspecting establishments that sell food for offsite consumption, food warehouses, wholesale and mobile meat and seafood vendors, dairy farms, and food banks; by certifying organic products, shellfish, and bottled water; by monitoring, inspecting, and regulating the companion animal, bird, and equine industries (including reports of abuse by private owners); by monitoring, inspecting, and regulating the plant and apiary industries including performing phytosanitary inspections; by monitoring, inspecting, and regulating the pesticide and wood treatment industries; and by monitoring, inspecting, and regulating animal feed, pet food, and grains. The purpose of this appropriation is also to ensure accurate commercial transactions by monitoring, inspecting, and regulating weights and measures and fuel sales.

Program Overview				
Performance Measures:	FY 2011	FY 2012	FY 2013	FY 2014
Percentage of non-compliant establishments found to be compliant at follow-up inspection	N/A	92.01%	92.00%	84.56%
Percentage of companion animal establishments inspected for regulatory compliance	60.00%	61.00%	100.00%	77.00%
Percentage of establishments out of compliance warranting follow-up inspection	13.00%	11.97%	11.90%	3.40%
Percentage of inspections completed	60.40%	75.75%	99.00%	95.00%
Number of establishments inspected	143,345	141,485	74,325	150,943
Summary of Activities: Monitor, inspect, and regulate the cultivation, processing, and production of livestock, poultry, food, and farm products in the interest of public health and safety; maintain certification of cattle and swine programs; register organic growers and bottled water; regulate weights and measures and inspect proper measurement of fuel sales; monitor and regulate pesticide industries, pet food and animal feeds, fertilizers, and seed; license animal dealers and investigate reports of animal abuse of birds, companion animals, horses, and other animals.				
Location: 4 District Offices: Forest Park, GA; Savannah, GA (Seafood Office); Tifton, GA; Gainesville, GA (North District Office & Poultry Grading Office)				
Fund Sources: Federal: Intrastate Meat & Poultry Inspection, USDA for animal Traceability and Animal Health Activities; DNR for CAFO (Concentrated Animal Feeding Operations); USDA; US-EPA; FDA Research and Consolidated Pesticide Enforcement. Agency: Cat & Dog Sterilization tag revenue (HB1055); Entomology Fees

Marketing and Promotion

The purpose of this appropriation is to manage the state's farmers markets, to promote Georgia's agricultural products domestically and internationally, to administer relevant certification marks, to provide poultry and livestock commodity data, to administer surety bonds, to provide information to the public, and to publish the Market Bulletin.

			Program Overview	
Performance Measures:	FY 2011	FY 2012	FY 2013	FY 2014
Number of farmers, retailers and wholesalers utilizing the Atlanta Farmers Market	2,292	2,593	2,210	28,283
Percentage of total Farmers Market space leased to vendors	97.00%	97.00%	97.00%	92.00%
Number of Georgia Grown participants	238	150	232	396
Summary of Activities: Manage and oversee operations at state farmers markets; maintain records and ensure that all agricultural surety bonds are in compliance with Georgia law; license, bond, and inspect for quality and quantity compliance agriculture storage facilities; issue licenses for state bonded warehouses (cotton and grain), grain dealers, tobacco warehouses, tobacco dealers and carry-over tobacco warehouse operators; publish the Market Bulletin on a biweekly basis; promote and market Georgia agricultural products domestically and				

abroad through the development and implementation of new programs aimed at increasing outreach and creating awareness of Georgia products, and this includes the Georgia Grown program; provide support in research, education, and promotion on behalf of various agriculture communities through the administration of 12 farmer-funded specialized agricultural commodities commissions; provide marketing and statistical information on the production, distribution, and consumption of poultry and poultry products in Georgia on a daily basis through the Poultry Market News; manage the Georgia Agricultural Sales Tax Exemption (GATE) program.

Location: 9 State Farmers Markets throughout the state.

Delivery Mechanism: State employees

Timing: Licenses are renewed on an annual basis.

Noteworthy: Under HB1055 (2010) session, the Market Bulletin operations were directed to become self-sufficient by charging subscription fees. Prior to this directive there was no charge for the Bulletin.

Forestry Cooperative Extension

The purpose of this appropriation is to provide funding for faculty to support instruction and outreach about conservation and sustainable management of forests and other natural resources.

Program Overview				
Performance Measures:	FY 2011	FY 2012	FY 2013	FY 2014
Number of service programs for outreach on forestry conservation	158	158	166	170
Number of service participants per full-time equivalent	1,361	1,844	1,282	1,304
Summary of Activities: Provide research and extension programs for the conservation and management of Georgia's forests and natural resources.				
Target Population: Public and private forest landowners; natural resources users (youth and adult) of Georgia.				
Location: Activities are conducted at the University of Georgia as well as field sites throughout the state and the southeastern region.				
Delivery Mechanism: University of Georgia Warnell School of Forestry faculty, staff, and graduate students provide tours of research sites and facilities; field trips and workshops (both classroom and field); develop and distribute outreach publications; and maintain a large family of outreach websites.				
Fund Sources: Agency: USG research funds				
Noteworthy: 131 out of 159 counties were more than 50% forested in 2004. Forests cover 67% of land area statewide, making Georgia the largest timber-producing state in the southeastern United States.

Forestry Research

The purpose of this appropriation is to conduct research about economically and environmentally sound forest resources management and to assist non-industrial forest landowners and natural resources professionals in complying with state and federal regulations.

Program Overview				
Performance Measures:	FY 2011	FY 2012	FY 2013	FY 2014
External sponsored research funds generated	\$9,491,727.00	\$8,570,581.00	\$9,205,118.00	\$9,000,000.00
Summary of Activities: Conduct research to increase forest productivity and economically and environmentally sound forest resource management; develop new forest products; increase disease resistance of forests; improve state wildlife and fisheries management; investigate diseases and forest insects and their potential impact on Georgia forests and its timber industry; provide research opportunities for students, including those pursuing a certificate in Community Forestry.				
Target Population: Public and private forest landowners; forest products and related industries; natural resources users of Georgia.				
Location: Research is conducted at the University of Georgia as well as field sites throughout the state and the southeastern region.				
Delivery Mechanism: Facilities include laboratories, computer labs, greenhouses, aquaria and fish hatcheries, deer pens, instrumented field sites, boats, and vehicles. Information is delivered via professional conferences, publication in professional and popular outlets, classroom instruction, and outreach.				
Fund Sources: Agency: USG research funds
